STATE OF WISCONSIN
BEFORE THE MEDICAL EXAMINING BOARD

IN THE MATTER OF
THE APPLICATION FOR A LICENSE OF

MICHAEL A. PISCHKE, P.A.,

Applicant

ORDER RENEWING THE LIMITED CERTIFICATE

By application dated July 1, 1993, Mr. Pischke filed his application for a certificate to practice as a physician assistant in the State of Wisconsin. Because Mr. Pischke indicated on his application that he had received inpatient or outpatient care for mental illness, he was asked to appear for oral examination in connection with his application. The oral examination was conducted on February 2, 1994 by the Council of physician assistants, and the board considered the application on February 23, 1994.

Mr. Pischke and the board thereafter entered into a Stipulation by which the board agreed to issue and Mr. Pischke agreed to accept a limited certificate to practice as a physician assistant. Based upon the Stipulation, the Medical Examining Board granted the limited certificate by its Order dated March 16, 1994. The term of the certificate was for six months, and Mr. Pischke appeared again on September 22, 1994 in support of renewal of the certificate. By Order dated October 4, 1994, the license was renewed for a further period of six months.

At the expiration of the license, Mr. Pischke again appeared before the board at its meeting of March 23, 1995. Based upon that appearance, the board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that the limited certificate of Michael A. Pischke to practice as a physician assistant in Wisconsin is hereby renewed, subject to the following terms and conditions:

1. The term of the certificate shall be for six months. Mr. Pischke shall appear before the board at the end of six months in support of any petition to renew the certificate.
2. Mr. Pischke shall maintain his clinical relationship with a psychiatrist satisfactory to the board, and shall undertake therapy if recommended by the psychiatrist on a schedule established by the psychiatrist

3. Mr. Pischke shall be responsible for provision to the board of quarterly written reports from his treating psychiatrist and his supervising physician confirming his continuing ability safely practice as a physician assistant.

Dated this 29th day of March, 1995.
